

Test Page - To provide accurate pattern print outs.

Choose FILE - PRINT from the Menu.

There are print settings, here are some examples:

Fit to Page - Expand to fit Page - Shrink - Rotate - Print as Image

More or less options could be available depending on your printer and set up.

We recommend that you:

- 1. Print this page choose none of the options.*
- 2. Check for accuracy with a ruler.*
- 3. If needed choose some or all setting until this page prints the pattern pieces to the correct size.*
- 4. Save these setting when using our site, these settings should remain the same for all pages printed from our site.*

ALWAYS measure & check pattern pieces before cutting Fabric.

NOTE: If your current version of Acrobat Reader does not provide accurate print outs, try using the NEW FREE version available from Adobe:
